

## PRODUCT USAGE AND INSTRUCTIONS

### SMOOTHSIP™

#### INSTRUCTIONS FOR USE:

- Do not microwave, freeze, or boil.
- When using SmoothSip for a hot beverage, make sure to heat the liquid before putting it in the tumbler.
- Lid should be disassembled prior to dishwashing. To remove the lid simply grab tightly and pull it off (no twisting is required).
- Lid is top-rack dishwasher safe. Hand washing the cup is recommended to preserve its finish.
- Do not use harsh chemicals (such as bleach, abrasives, etc.).
- Visit [OwalaLife.com](https://OwalaLife.com) for additional information.

#### WARNINGS:

- In order to minimize bacterial growth, do not use to store warm dairy products or baby food or other perishable liquids.
- Always store upright on a flat surface to avoid accidental spills
- **USE CAUTION WHEN FILLED WITH HOT LIQUIDS:** Hot Liquids can cause burns. Never use this product with liquids hot enough to scald.
